Title: Waukesha Engine Rebuilds And Repairs
Major Components Of CFR Engines

Bulletin No. 03-03
Date: April 11, 2003

The purpose of this CFR News Bulletin is to inform customers that Waukesha Engine can rebuild and/or repair the major components of your CFR engine. Waukesha is ready to rebuild or repair major components on your engine with a great attention to detail using only factory quality parts and skilled workmanship (see table below). As always, included in all

rebuild/repair work is the Waukesha standard one-year warranty.

If you are interested in having any of the CFR parts listed in the table below rebuilt or repaired by Waukesha, or would like to learn more information, please contact Waukesha Engine's CFR Department at (262) 549-2915.
