Title: New CFR Publications Available

Bulletin No. 03-04

Date: October 22, 2003

Waukesha Engine is pleased to announce the release of three CFR publications:

- Form 847, *CFR F-1/F-2 Octane Rating Units Operation & Maintenance Manual*, Second Edition (New edition)
- Form 871, *CFR F-1/F-2 Parts Catalog*, First Edition (Brand new publication)
- Form M-1169, *CFR Tools Catalog* (2002 edition)

The *CFR Tools Catalog* is available in a hardbound version or in .PDF format. The *CFR F-1/F-2 Parts Catalog* is available in a hardbound version or an electronic version on CD.

If you are interested in ordering these CFR manuals or any CFR publications, please contact Waukesha Engine's CFR Department at (262) 549-2915.
