Title: New CFR Valve Lapping Tool

Bulletin No. 04-03

Date: July 26, 2004

The purpose of this CFR News Bulletin is to inform customers that Waukesha Engine has released a new valve seat lapping tool (**P/N A75644A**) that supercedes the previous lapping tool (P/N O75644). The new and improved lapping tool is similar to the previous one, but the suction cup now has a threaded insert.

The handle, suction cup, and rod must be purchased as an assembly, P/N A75644A. Individual parts are no longer sold for this item.

If you are interested or would like more information, please contact Waukesha Engine's CFR Department at (262) 549-2915.
