## Waukesha\* gas engines advisory

---

Advisory WEDA548

August 28, 2013

### **F4 Supercharge Method Aviation Gasoline Rating Unit Discontinued**

To All CFR Distributors;

Please be advised that effective immediately, GE's Waukesha gas engines will no longer manufacture new F4 Supercharge Method Aviation Gasoline Rating Units.

GE will continue to offer repair services and service parts for the F4 units in the field.

If you have any questions or concerns, please email Alan Piller at [alan.piller@ge.com](mailto:alan.piller@ge.com) or call +1 262-650-5737.

Best Regards,

[Alan Piller](mailto:alan.piller@ge.com)

Director of Fuel Research  
GE's Waukesha gas engines
